

OUR COMMUNITY. OUR MOUNTAINS. OUR FUTURE.

EpicPromise partners with more than 250 nonprofits each year with more than \$7M in financial support and 20,000 hours of volunteer time. Below is a list of South Lake Tahoe area nonprofit organizations currently looking for volunteers.

Please contact epicpromise@vailresorts.com or 303.404.1106 with questions or concerns

Volunteer Opportunity of the Month:

SUMMIT COUNTY, CO *Thursday, May 31st*

RED, WHITE & BLUE FIRE PROTECTION DISTRICT welcomes volunteers to assist with their Bike Rodeo on Thursday, May 31st at local Breckenridge Elementary schools. This is a great way to support local youth with bike safety maneuvers. For more information, contact Deputy Fire Marshal **JACKIE PIKE**.

Advocates for Victims of Assault provides 24 hour in-person crisis response in English and Spanish. The services are used by law enforcement, the local medical centers, the coroner and by individuals in the community. The Summit Advocates respond to calls of domestic violence, sexual assault, death calls and other traumatic situations. Visit www.summitadvocates.org

The mission of the Blue River Watershed Group is to protect, restore and promote a healthy watershed through cooperative community education, stewardship and resource management. The BRWG provides Summit County citizens the resources and information necessary to become an action-oriented, fully informed and inspired community. Visit blueriverwatershed.org.

The Breckenridge Outdoor Education Center (BOEC) provides life changing outdoor learning experiences to people of all abilities, with a focus on those with special needs. The BOEC provides a sense of freedom to those who are routinely excluded from activity due to a disability or special need. Whether skiing in the Adaptive Ski and Ride Program or mastering the Ropes Course, the BOEC inspires people of all abilities to discover new places, learn new skills and rekindle their spirit in the heart of the Colorado Rocky Mountains. Visit www.boec.org.

CASA of the Continental Divide was founded to train volunteers as Court Appointed Special Advocates for children who are victims of abuse and neglect. Each year CASA of the Continental Divide recruits and screens volunteer advocates and provides comprehensive training programs to the volunteers. Visit www.mtncasa.org.

The Friends of the Colorado Avalanche Information Center (CAIC) is a non-profit organization created to support the CAIC, while contributing to avalanche awareness and education throughout the State of Colorado. Visit www.friendsofcaic.org.

The Cycle Effect's mission is to enhance the lives of young women through mountain biking and to empower them through mentoring and education. www.thecycleeffect.org.

The Celebration of Life fund was established in memory of longtime Breckenridge Ski Resort employee Dwight Brill who lost his battle with recurring abdominal cancer. The fund was inspired by the extensive financial, logistical and emotional support provided to the Brill family during Dwight's battle with cancer. The Celebration of Life aims to carry on this spirit of giving by providing emergency support services to ski resort employees in times of medical need. Visit www.dwightbrillfund.org.

FIRC works to strengthen families through education and financial resources and believes strong sustainable families are the key to a strong and healthy community. Visit summitfirc.org.

Community Dinner

All are welcome to join for a free hot meal every Sunday evening at 6 PM in the Fellowship Hall. This free meal is provided by volunteers each week. Click [here](#) to volunteer.

Friends of the Dillon Ranger District (FDRD) partners with the Dillon Ranger District by leveraging the power of volunteers to assure that the National Forest lands enjoyed by millions of people each year are not negatively impacted by their popularity. With more than 60 projects each year, FDRD volunteers contribute thousands of hours maintaining and improving trails, planting trees, pulling invasive weeds, educating forest visitors and much more. Visit www.fdrd.org.

The High Country Conservation Center focus areas include waste reduction, energy efficiency and clean energy and sustainable food production. Just a few of the programs include Composting in the Schools, home energy audits and ratings, community gardens and sustainable business programs. Visit www.highcountryconservation.org

Keystone Science School has taught scientific principles and leadership skills to young people, teachers and community members through engaging hands-on field experiences. KSS was founded on the belief that leaders should approach decision-making with a healthy respect for scientific inquiry, collaboration and civic engagement. Visit www.keystonescienceschool.org

The Mountain Top Children's Museum, Inc. is an educational institution that promotes informal learning through interactive exhibits and programs, imaginative play and engagement in active experiences for children ages 10 and under and their families/caregivers. Visit www.mntopmuseum.org.

For over 50 years, the National Repertory Orchestra has prepared young musicians for careers in the orchestra world. The NRO provides a unique opportunity for young musicians to gather invaluable experience playing a broad variety of orchestral works and prepares these talented young people with real-world insights into today's opportunities and responsibilities for symphony musicians. www.nromusic.com.

Snowboard Outreach Society (SOS) serves 5,000 at-risk youth between the ages of 8 and 18 annually. SOS uses year-round, outdoor sports to engage underserved students in long-term mentor based relationships. The core value curriculum integrates outdoor experiential learning, character development, community service, values-based leadership development, social justice advocacy and peer mentoring. www.sosoutreach.org.

Summit Community Care Clinic is the only safety-net health care provider in Summit County, Colorado. It offers high-quality primary care, oral health, behavioral health and reproductive health services to the medically underserved at an affordable cost. Visit their website www.summitclinic.org.

SCRG is an all-volunteer, non-profit organization that operates under the statutory authority of the Summit County Sheriff's Office and helps fulfill the Sheriff's responsibility to provide backcountry search and rescue services to the county. The Summit County Rescue Group is available 24 hours a day, 365 days a year at no charge to its rescue subjects. Visit www.scr.org.

Swan Center Outreach programs impart essential life skills such as effective communication, leadership, self-discipline, work ethic and more with a focus of attaining true partnership with both animals and humans. Visit www.swancenter.org.

Animals as Teachers, Healers & Friends

Team Summit Colorado's mission is to "promote character development through athletics by stressing self-reliance, persistence, dedication and achievement." Team Summit believes the lessons learned on the mountain through skiing and snowboarding builds world-class athletes and community leaders and will serve the athletes long after their competitive careers are over. Visit www.teamsummit.org.

Team Breckenridge Sports Club is a ski team for athletes of all ages and abilities. The primary goal is to help each athlete learn the necessary tools to be successful at any goal they choose and are based on a long-term approach to athletics. Teaching ski racing is secondary to the teaching of athletics as a way of life. An athletic lifestyle includes characteristics such as; respect, honor, responsibility, trust, initiative and dedication. Visit www.teambrecksportsclub.com.

The Summit Foundation is recognized as the leading philanthropic organization for Summit County and its neighbors. It is committed to creating ever better mountain communities by providing leadership that results in improving the quality of life for residents. Visit www.summitfoundation.org for more information.

Trout Unlimited (TU) is a national organization with more than 150,000 members organized into about 400 chapters from Maine to Montana to Alaska. This dedicated grassroots army is matched by a respected staff of lawyers, policy experts and scientists who ensure that TU is at the forefront of fisheries restoration work at the local, state and national levels. The organization remains committed to applying "the very best information and thinking available" in its conservation work and has developed cutting-edge tools to help those populations most in need of protection or restoration. www.tu.org.
