[Meet our 2021 EpicPromise Scholars](#)

Will everyone who applies and is qualified receive an EpicPromise Scholars grant?

No. This is a competitive scholarship. Per charitable guidelines provided by the Internal Revenue Service, only 25% of eligible applicants can be awarded a grant. For example, if we receive 100 applications, we may award 25 scholarships.

Are EpicPromise Scholars grants awarded based on geographic location?

No, all EpicPromise Scholars applications are graded and ranked by an independent committee based on an applicant's merits and financial need.

Can I apply if I am a graduate student?

No, this scholarship is not awarded for graduate programs.

Can I apply for this scholarship to obtain my GED or take ESL classes?

We do not currently offer this program. A GED/HSE and ESL grant program for kids of our employees is

something we hope to offer in the future.

Can I apply if I am not yet enrolled in an educational program?

Yes. For an EpicPromise Scholars grant you can apply without being enrolled. However, your grant is dependent on enrolling in an educational program and will be fulfilled directly to your educational institution.

Can I defer my grant if I'm awarded?

Yes. EpicPromise Scholars recipients may defer their grant **for up to one year only**.

Who reviews and ranks applications?

The EpicPromise Employee Foundation has appointed an EpicPromise Scholars Interview Committee and Review Committee. These committees are comprised of non-executive Vail Resorts employees from across the company that volunteer their time to interview applicants, review applications, and determine all awardees. Only full and completed applications will be considered.

When are applicants notified about the status of their application?

We will email applicants in late-April or early-May.

How are grants fulfilled?

The EpicPromise Employee Foundation works with Scholarship America to fulfill Scholars grant awards. Additional details on fulfillment will be provided to new Scholars and renewal students directly. Please note: All EpicPromise Scholars checks will be mailed to the student directly, but made out to the educational institution. Students will be responsible for completing all necessary documentation/renewal paperwork, as well as for collecting their scholarship check and delivering it to their financial aid or bursar's office, as required by their school.

I am a Canadian applicant, how does the exchange rate affect my grant?

The exact scholarship value is contingent on the USD exchange rate at the time of fulfillment and never more than US\$2,500/year for up to four years.
